

AIPG – WI CHAPTER Conference Call Executive Board

Monday, November 28, 2016 (12:30pm – 1:00pm)

Meeting Notes

Participants:

Paula Leier-Engelhardt, Jayne Englebert, Chris Lilek, Andrew Mott, Trevor Nobile, Darrell Reed

Review and Approval of Previous Meeting Minutes (All)

Minutes to approve for September 2016 and October 2016. Chris Lilek comments: Fund Raising for Student Support “GoFundMe” total amount raised to date modified from \$215 to \$275 in October 2016 notes. Motion by Paula Leier-Engelhardt. Second by Darrell Reed. No discussion. Vote: Aye = 6, No = 0. Motion carries.

Fund Raising for Student Support (Chris)

Fund raising closed. \$275 raised. To date “GoFundMe” issued 5 checks totaling \$249.12 to AIPG – WI Chapter. Follow up items include sending news article to TPG and asking winner what newspaper they would like us to send the announcement to.

Update on National’s Interest – 2017 Frac Sand Mining Workshop (Chris, Darrell, Paula, Andrew)

Workshop title modification proposed: Aggregate Sand Mining Life Cycle Workshop. Darrell Reed contacted facility rental people before Thanksgiving. Darrell Reed to follow-up on viable dates and confirm availability. Chris Lilek comments (based on venue availability): reserve available room/venue, Darrell Reed to confirm. Darrell Reed to follow-up with current firm, industry contacts, and local regulators in an effort to seek additional presenters/interest. Darrell Reed to contact Cathy Duran (AIPG National). Chris Lilek mentions: Jay Zambito, Paul D. (FOTH - FOTH consulting may know some additional speakers for the workshop), Roberta Walls (DNR). Chris Lilek: 40 people (from Wisconsin) interested in attending workshop, hopeful for interest from Minnesota and Iowa. Paula Leier-Engelhardt: Seek someone to talk about the frac sand mining work to be completed locally (Wisconsin), Paula Leier-Engelhardt to follow-up with contacts. Darrell Reed to follow-up with contacts for the prospect of having a field trip the day before the workshop. Chris Lilek approves of the field trip idea and will follow-up with AIPG National. Andrew Mott to contact Badger Mining and to have them follow-up with Chris Lilek.

Riveredge Nature Center – November 2016 Student Research Symposium (Chris & Trevor)

UW-Milwaukee geology student James Van Eerden won a scholarship. Riveredge Nature Center appreciative of the 3 judges (Thomas Kettinger, Chris Lilek, Trevor Nobile) provided by AIPG – WI Chapter. Trevor Nobile comments on the quality and passion behind the students research/presentations.

Wisconsin – Michigan Field Trip (Chris)

Prof Fitz from Northland College has agreed to be one of the Field Trip Leaders. August 11 – 13 2017 is a tentative date. Paula Leier-Engelhardt may be able to attend the field trip. Michigan is working on their end for dates, locations, and personnel (to be completed by end of year 2016).

Field Tech – Webinar Series (Chris)

Dakota Technologies (fka Matrix Environmental) and Cascade - HRSC technologies (MIP, HPT, uVost) have been suggested by WGWA and the other Midwest Sections as additions to the webinar series. Board suggestion: the material to be presented in a case study format, Jayne Englebert to follow-up on format.

New Items

Working with Local Elementary Schools (Darrell)

No new updates. Darrell Reed to follow-up, put some ideas together.

Facebook Page (Jayne)

Need additional information on Facebook page requirements. Research and follow-up necessary on completing such as task.

Outreach Update (Chris & Trevor)

Thomas Kettinger and Trevor Nobile to follow-up with Universities/Colleges for potential presentations/opportunities in 2017.

Next Scheduled Board Call

Monday – January 30, 2017 12:30pm to 1 pm
